CHAMBER OF COMMERCE

BUSINESS GREETER PROGRAM

The B2B greeter program is a unique opportunity to partner alongside the Chamber as we welcome new businesses into our community. We have a customized tote bag, which has a greeting letter from the Chamber, and information on the St. Charles community, that we deliver to new businesses or those with a change in ownership.

We also welcome our members to join our program by paying a flat rate of $150 per year to reach an estimated 200+ new businesses in a calendar year. If you are a business that thrives on making connections, providing services, or building other businesses, this program is a great way to reach new ground. We send out a monthly list of the contact information of those we meet so that you have built-in leads.

HOW TO JOIN

Send an email to info@stcareachamber.com or call the Chamber at 630-584-8384 to let our Member Relations Manager know that you would like to join the B2B Greeter Program. We will enroll you in the program and invoice (if applicable) based on your level of membership.
